

COL04 | POWER STATION

FILENAME	DESCRIPTION
ALARM Boiler Basement 2 Tone_D100_COL04.wav	Distant 2 tone warning alarm in industrial boiler basement.
AMB Power Station Air Receiver Room_A_COL04.wav	Large room with several industrial fans and intermittent machine whine. Quads with B. Room tone.
AMB Power Station Air Receiver Room_B_COL04.wav	Large room with several industrial fans and intermittent machine whine. Quads with A. Room tone.
AMB Power Station Air Receiver Room_C_COL04.wav	Large room with several industrial fans and intermittent machine whine. CU on fan. Room tone.
AMB Power Station Auxiliary Pump House_D100_COL04.wav	Airy industrial pump house room tone with a long steam release halfway through.
AMB Power Station Coal Mill Alarm_1_COL04.wav	Discordant 2 tone alarm sounding after coal mill cycle.
AMB Power Station Coal Mill Alarm_2_COL04.wav	Discordant 2 tone alarm sounding after coal mill cycle.
AMB Power Station Coal Mill Interior_1A_COL04.wav	Heavy room tone in a large hall of coal mills with sense of metallic rattle and pulse. Quads with 1B.
AMB Power Station Coal Mill Interior_1B_COL04.wav	Heavy room tone in a large hall of coal mills with sense of metallic rattle and pulse. Quads with 1A.
AMB Power Station Coal Mill Interior_1C_COL04.wav	Heavy room tone in a large hall of coal mills with sense of metallic rattle and pulse. Mic between 2 mills.
AMB Power Station Coal Mill Interior_2A_COL04.wav	Heavy room tone in a large hall of coal mills with sense of metallic rattle and pulse. Quads with 2B.
AMB Power Station Coal Mill Interior_2B_COL04.wav	Heavy room tone in a large hall of coal mills with sense of metallic rattle and pulse. Quads with 2A.
AMB Power Station Coal Mill Interior_2C_COL04.wav	Heavy room tone in a large hall of coal mills with sense of metallic rattle and pulse. CU on a rattly vent.
AMB Power Station Compressor Hum_D100_COL04.wav	Long industrial hall with continuous compressor hiss and high whine. Room tone.
AMB Power Station Cooling Fan Hum_D100_COL04.wav	Low modulating hum from an industrial cooling fan. Room tone.
AMB Power Station Cooling Pump Basement_1A_COL04.wav	Tonal room tone in a cooling pump basement with muted whine from upstairs. Quads with 1B.
AMB Power Station Cooling Pump Basement_1B_COL04.wav	Tonal room tone in a cooling pump basement with muted whine from upstairs. Quads with 1A.
AMB Power Station Cooling Pump Basement_2A_COL04.wav	Tonal room tone in a cooling pump basement with muted whine from upstairs. Quads with 2B.
AMB Power Station Cooling Pump Basement_2B_COL04.wav	Tonal room tone in a cooling pump basement with muted whine from upstairs. Quads with 2A.
AMB Power Station Cooling Pump Upstairs_A_COL04.wav	Cooling pump room tone with tonal whirring. Quads with A.
AMB Power Station Cooling Pump Upstairs_B_COL04.wav	Cooling pump room tone with tonal whirring. Quads with B.
AMB Power Station Electrostatic Precipitators_1A_COL04.wav	Electrostatic precipitators spraying bursts of air in an array above mics. Steam release, hiss, compressed air. Quads with 1B.
AMB Power Station Electrostatic Precipitators_1B_COL04.wav	Electrostatic precipitators spraying bursts of air in an array above mics. Steam release, hiss, compressed air. Quads with 1A.
AMB Power Station Electrostatic Precipitators_1C_COL04.wav	Electrostatic precipitators spraying bursts of air in an array above mics. Steam release, hiss, compressed air.
AMB Power Station Electrostatic Precipitators_2_D100_COL04.wav	Electrostatic precipitators spraying bursts of air in an array above mics. Steam release, hiss, compressed air.
AMB Power Station Furnace Rumble_D100_COL04.wav	Furnace rumble with distant industrial alarm in background.
AMB Power Station Gear Box Rattle_D100_COL04.wav	Low industrial air with metal gearbox rattle in foreground. Room tone.
AMB Power Station Induced Draft Fan Motor_D100_COL04.wav	Strange tonal hum from an induced draft fan with the odd distant steam release. Room tone.
AMB Power Station Induced Draft Fan_1A_COL04.wav	Induced draft fan hum with tonal whine. Room tone. Quads with 1B.
AMB Power Station Induced Draft Fan_1B_COL04.wav	Induced draft fan hum with tonal whine. Room tone. Quads with 1A.
AMB Power Station Induced Draft Fan_1C_COL04.wav	Induced draft fan hum with tonal whine and slow pulse. Room tone.
AMB Power Station Induced Draft Fan_2A_COL04.wav	Induced draft fan hum with tonal whine. Room tone. Quads with 2B.
AMB Power Station Induced Draft Fan_2B_COL04.wav	Induced draft fan hum with tonal whine. Room tone. Quads with 2A.
AMB Power Station Induced Draft Fan_2C_COL04.wav	Induced draft fan hum with tonal whine. Mic very close on parts of the machine. Room tone.
AMB Power Station Mill Entrance_D100_COL04.wav	Heavy mill entrance room tone with low rumble and light metallic rattle.
AMB Power Station Plant Room_A_COL04.wav	High tech sounding room tone with rich highs and low breathy chuffs. Quads with B.
AMB Power Station Plant Room_B_COL04.wav	High tech sounding room tone with rich highs and low breathy chuffs. Quads with A.
AMB Power Station Plant Switch Room_D100_COL04.wav	Subdued tonal hum with high pitch overtone in middle sized room. Room tone.
AMB Power Station Reverse Osmosis Room_A_COL04.wav	Bright and airy room tone with busy electrical presence and distant air spray. Quads with B.
AMB Power Station Reverse Osmosis Room_B_COL04.wav	Bright and airy room tone with busy electrical presence and distant air spray. Quads with A.
AMB Power Station Turbine Basement Hum_D100_COL04.wav	Turbine basement room tone with tonal pulse.
AMB Power Station Turbine Hall Large_A_COL04.wav	Heavy industrial room tone in large turbine hall. Quads with B.
AMB Power Station Turbine Hall Large_B_COL04.wav	Heavy industrial room tone in large turbine hall. Quads with A.
AMB Power Station Turbine Hall Large_D100_COL04.wav	Industrial room tone in large turbine hall.
AMB Power Station Turbine Hall Small_A_COL04.wav	Room tone in small turbine hall with tonal whirring. Quads with B.
AMB Power Station Turbine Hall Small_B_COL04.wav	Room tone in small turbine hall with tonal whirring. Quads with A.
AMB Power Station Turbine Hall Tonal_D100_COL04.wav	Airy turbine hall room tone with subtle tonal pulse.
AMB Power Station Vacuum Pump House_D100_COL04.wav	Tonal vacuum pump room tone with slow modulating pulse.
AMB Power Station Water Tank Fill_D100_COL04.wav	A plastic water tank filling in a small cubby. Room tone.
MACHINE Conveyor Belt Coal Transport_1_D100_COL04.wav	Squeaky conveyor belt with shakey jitter transporting coal.
MACHINE Conveyor Belt Coal Transport_2_D100_COL04.wav	Conveyor belt transporting coal. Mic on the soft grind of the motor.
MACHINE Droplet Separator Pump_A_COL04.wav	Light machine operating with dust particles bouncing around inside pump. Quads with B.
MACHINE Droplet Separator Pump_B_COL04.wav	Light machine operating with dust particles bouncing around inside pump. Quads with A.
MACHINE Droplet Separator Pump_C_COL04.wav	Light machine operating with dust particles bouncing around inside pump. CU on pump.
MACHINE Electric Drive Agitator_D100_COL04.wav	Electric drive agitator operating with low wobble and light rattle.
MACHINE Industrial Extractor Fan Rattle_1_COL04.wav	Broken fan with large plastic blades whirring. CU.
MACHINE Industrial Extractor Fan Rattle_2_COL04.wav	Broken fan with large plastic blades whirring. Wide.
MACHINE Positive Pressure Pump_D100_COL04.wav	Tonal sci-fi whine from a positive pressure pump.
MACHINE Recycle Pump Leak Bubble_D100_COL04.wav	Steam leaking and bubbling from a cut in rubber pipe. Bubble.
MACHINE Recycle Pump Leak Steam_D100_COL04.wav	Continuous steam hiss leaking from recycle pump.
MACHINE Recycle Pump Motor Chain Spin_D100_COL04.wav	Recycle pump motor start, run, and off, with chain mechanism spin.
MACHINE Recycle Pump Motor Power Cycle_D100_COL04.wav	Small recycle pump motor start, run, and off, followed by another cycle at a different speed with rhythmic pumping.
MACHINE Recycle Pump Power Cycle_D100_COL04.wav	Recycle pump run, off, then start. Metallic power up, power down.
MACHINE Recycle Pumps Power Cycle_1A_COL04.wav	Recycle pump run, off, then start. Metallic power up, power down.
MACHINE Recycle Pumps Power Cycle_1B_COL04.wav	Recycle pump run, off, then start. Metallic power up, power down.
MACHINE Recycle Pumps Power Cycle_1C_COL04.wav	Recycle pump run, off, then start. Metallic power up, power down.
MACHINE Recycle Pumps Power Cycle_2A_COL04.wav	Recycle pump run, off, then start. Metallic power up, power down.
MACHINE Recycle Pumps Power Cycle_2B_COL04.wav	Recycle pump run, off, then start. Metallic power up, power down.
MACHINE Recycle Pumps Power Cycle_2C_COL04.wav	Recycle pump run, off, then start. Metallic power up, power down.
MACHINE Small Dust Pump_D100_COL04.wav	Small pump sucking dust through pipe.
MACHINE Small Motor Power Cycle_D100_COL04.wav	Small motor power cycling several times with interesting metallic power ups and power downs.
MACHINE Vacuum Belt Compressed Air Bursts_D100_COL04.wav	Vacuum belt turning on and off with compressed air bursts and sprays. Steam release.
MACHINE Water Treatment Pump_1_D100_COL04.wav	Slow breathy pump rhythm with tonal electrical whirring.
MACHINE Water Treatment Pump_2_D100_COL04.wav	Electrical whine from a water treatment pump.
TRAIN Freight 100 Ton Coal Hopper Empties_A_COL04.wav	Sequence of 100 ton coal hopper/cars opening and slowly emptying coal into pit below. Mic'd from rear of train.
TRAIN Freight 100 Ton Coal Hopper Empties_B_COL04.wav	Sequence of 100 ton coal hopper/cars opening and slowly emptying coal into pit below. Mic'd from front of train.
TRAIN Freight Carriage Door Moves_1_COL04.wav	Metal coal train door slides and ronk moves.
TRAIN Freight Carriage Door Moves_2_COL04.wav	Metal coal train door jolts. Ones at end are very distant.
TRAIN Freight Coal Hopper Unloading_D100_COL04.wav	100 ton coal hoppers/cars opening and emptying coal into pits below with some good debris detail.
TRAIN Freight Coal Slow Up Stop_A_COL04.wav	Modern coal train approaching platform and stopping at very slow speed.
TRAIN Freight Coal Slow Up Stop_B_COL04.wav	Modern coal train approaching platform and stopping at very slow speed.
TRAIN Freight Door Hits_D100_COL04.wav	Metal coal train door slides, hits, and ronk moves.
WATER Cooling Tower Drainage Flow_COL04.wav	Drainage water flowing from the bottom of a cooling tower.
WATER Cooling Tower Drainage_D100_COL04.wav	Drainage water flowing from the bottom of a cooling tower.
